MAGAZINE TEAM DEFEATED DIELS

Newstead Avenue Youngsters Lose to Veterans, After Fast Game, by a Single Goal.

MILLERS TIE WITH THISTLES.

Eleven Finds Much Trouble in Getting Past East Side Team's Defense, and Scored Only Once.

The Women's Magazine team defeated the Diels, while the Ben Millers and Thistles played a tie in two well-contested soccer games at Kulage's Park yesterday afternoon.

In the opening game both the Ben Millers and Thistles scored a goal, while the Magazine team made three goals, as against two for the Diels in the last game.

Followers of the Diels disputed the second goal made by the Magazine team. They claimed that Ammann had unduly interfered with Fitzpatrick, while Diel shot the goal. Referee Mcweeney allowed the goal, and the game went to the Magazine.

As contests the games were the prettiest seen this season. Particularly interesting was the game between the Diels and Women's Magazine.

In the first half the Magazine made three goals on the Diels in this half and then began to loaf. The Magazine started to pursue their looting policy in the second half, but before ten minutes of play they realized that they had to forestall a game or a defeat.

CUNNINGHAM WRENCHES ANKLE.
The Magazine were handicapped in their forward division in the second half when Cunningham twisted his ankle. The injury was not serious enough to cause his retirement from the game, but it made his presence in the fray practically useless.

The first game was between the Millers and the Thistles. The Thistles, as usual, put up a remarkable defense, but their offense was so timid that they could hardly have scored had the Millers goal been unprotected.

Time after time the Thistles' forward would bear down on the Millers' goal, only to find formidable checks in the full backs. P. Lynch and E. McDonough. This pair played good football, and their kicking was much to keep the Thistles from scoring. They effectively broke up the Thistles' famous combination playing and fed their own forwards with great accuracy.

Kelley and Hall at full back for the Thistles played well, while L. Con, Kertus and Cairns did well at half back for the same team. McMillan played a good game at forward for the Thistles.

McDevaney put up a good defense at half for the Ben Millers, while Gerald Shea and Jack Hayden did excellent work in the forward division for the same team. Hayden scored the Ben Millers' goal in the first half. Con, Kertus and Cairns did well at half back for the same team. McMillan played a good game at forward for the Thistles.

The Diels continued to press the Magazine, and just before the call of time Annie sent the ball through the post for their second goal. The Magazine's backs then braced up and the Diels did no more scoring.

THE SECOND GAME.
The game between the Magazine and Diels was action from the sound of the pibroch. As soon as McDevaney gave the signal for play the Magazine's forward line started the ball rolling toward the Diels' goal and shortly after the call of time "Cinnamon" Ryan slammed the first goal through.

On the second kick-off Dan Devaney secured the ball and made a nice forward pass to Conner. Conner passed to Ammann and the latter crossed to Daly. Ammann charged for goal, and Daly sent the ball between the Diels' posts for the second goal of the game.

Connerford scored just before the call of time in the first half, but the Diels' defense escaped Fitzpatrick's eager grasp. In the second half the Diels tried to make up for lost ground. In a few minutes time Barill found an opening and swung the ball through the Magazine's.

The Diels continued to press the Magazine, and just before the call of time Annie sent the ball through the post for their second goal. The Magazine's backs then braced up and the Diels did no more scoring.

HOUBRE MAY BE REINSTATED.

Jackey Who Was Suspended Has Settled Matters With John Drake.

NEW ORLEANS, La., Nov. 27.—Jackey Houbre, who made such a good reputation in St. Louis while riding for Jesse Hughes that John Drake paid a fancy price for his services, expects to have all his disabilities removed and to resume riding by the 1st of next month.

He has been under suspension for a year for refusing to obey orders and join the Drake string in the East. He claimed that under the contract he received insignificant return for his work, and that for technical reasons or another the instrument was invalid, and fled with the horse to his home.

Mr. Drake says, is now willing to settle the matter up and release him from the contract, after which time he thinks Houbre will be straightened out and that he can ride again. During his suspension he has kept in good trim galloping horses, and now weighs but little over 100 pounds.
